The Dassel Township held a special meeting on Wednesday September 7, 2022, at 9:00 a.m. at the Dassel History Center.

Present - Chairman Kevin Rossow, Supervisors David Isaacson and Kari Amundson, Jennifer Edison from WSB and Dale Strandberg from Astech.

The meeting was a preconstruction meeting to discuss the approximate schedule for construction on the 738<sup>th</sup> micro-surfacing project.

Following are the details, weather permitting.

Sept 19<sup>th</sup> – 21<sup>st</sup> – Street patching. David and Jennifer marked out the limits for patching on Wednesday following the meeting.

Sept 25<sup>th</sup> – 27<sup>th</sup> – Micro-surfacing the roadway. This will be done on drive lane at a time and will be completed using flagging for traffic control.

Oct 11<sup>th</sup> – Roadway will be striped. The surface must sit a certain number of days before striping and/or else the paint will not stick. It was discussed that the contractor should put up signage warning drivers that no centerline will be present during this period.

Kari Amundson said it was also discussed to put up signs prior to road work beginning advising drivers that there would be work on the road.
