Chip Seal – The work was done a couple of weeks ago and the road is in very poor condition. Our engineer has been contacted and he is contacting Allied Blacktop to see what they will do to correct the road.

280th – A letter was received from the residents on the dead end. They are unhappy with the boulders that were placed at the end of the cul de sac. The boulders hinder the ability to turn around and also plow snow. The board has been in contact with the Township attorney and are waiting for further information as to the right of way.
