OLD BUSINESS

Recycling bins: Jeff Bertram spoke about how the recycling bins are getting out of hand with boxes not getting broken down, non-recycling items such as plastic bags, electronics, ceramics figurines etc.... West Central Sanitation will no longer pick up items off the ground. The recycling bins are only for Collinwood and Dassel Townships. The sheriff department will be notified & asked to monitor more closely and residents of these townships are asked to also monitor the area everyday. Ideas brought up were

*go through any boxes not broken down, get labels then contact Brent with information

* work with Dassel compost and place bins by Dassel City compost, with possibly gates and set hours you can use recycling bins.

* Paul Johnson check on "sentence to serve" to keep area clean

Randy Holm will call Jeff B, Brent Radtke and Paul Johnson throughout the month. More discussion will continue at July 19th meeting.
