The Meeker County Snowmobile Patrol taught a snowmobile safety class and tested youths for snowmobile safety certificates. The deputies offered a Snowmobile Safety Training Course to interested snowmobile operators, age 11 and older, who wished to obtain a safety certificate on January 15, 17, and 19, 2013 in Litchfield. Our deputies also participated in events at local schools: Career Day, D.A.R.E., and Driver's Training Classes where students were given the opportunity to ask questions regarding snowmobile laws and safety training.

- b. Include a narrative on your agency's participation in DNR Snowmobile Safety Enforcement activities during the past fiscal year. This includes participation in training classes, and collaboration with local Conservation Officers.

Whenever there is a situation calling for enforcement on DNR trails or Meeker County trails, both agencies volunteer and work well together. DNR officers stop in our building on a regular basis. We have an office available for the DNR here in the Meeker County Law Enforcement Center that they can use and it assists with passing on information to each other. We have a good working relationship with the local DNR Officers.
