Additional Performance Credit Calculations and Supplemental Information

Describe below the progress made in meeting your program year work plan inspection goals. You must provide quantitative results for each compliance inspection and land application goal listed in your work plan.

Strategy Goal - Sites proposing construction or expansion - Greg Meyer site - pre-construction visit also a visit with MPCA inspector Rhonda Atkins. Due to this inspection I didn't complete one of my own post construction. John Bergstrom Site #1 - Pre-construction Meeting, visit to see foundations, compliance inspection. Site with an Interim or CSF greater then or equal to 300 - John Berstrom Site #1, Rube Dariy, NexGen Dariy (they have since gone CAFO, so I didn't enter this inspection into Tempo). Sites that have never been inspected. 8 sites were inspected that have never had an inspection. 7 of these were entered into TEMPO, I am working with the owner of the 8th site to get it registered.

Inspection Strategies - Sites within Shoreland or DWSMA 5 sites located within a Shoreland were inspected this year. Sites with open lots or OLA - 13 of the sites inspected this year had open lots on them.
