

AIS Advisory Committee

The AIS program management is greatly influenced by Committee feedback. All meetings are public and hosted virtually, accessible by weblink posted on the County AIS Webpage. Please hold public comments until the end of the meeting.

January 5th 2:30 pm CST County Board Room

This is a shortened meeting; the goal of this meeting is to familiarize members with the watercraft inspection report for 2021 and reappoint committee members. The purpose of this meeting is to discuss material within the report and answer committee members questions regarding inspector placement and future projects. Each member will receive a copy of the 2021 Report and Program Updates. Meeting Minutes from November will be presented for approval in February.

Time	Topic	Responsible Parties	Deliverables
