

# 2024 AIS Education Grant Application

A copy of your responses will be emailed once the application is submitted

\* Indicates required question

1. Email \*

---

2. Applicant Organization: \*

---

3. Grant Officer: Name, Phone Number, and Address \*

---

---

---

---

---

4. Please give a BRIEF history of the applicants experience and goals as they pertain to preventing the introduction of AIS \*

---

---

---

---

---

5. Meeker County requires a Year End Report for all 2023 grantees to remain eligible for 2024 grants. \*

*Check all that apply.*

- No end of year report to file ( no previously funded projects)
- I have sent in my report
- I will send in my report by October 25th, 2023

6. To your knowledge, has there been testing for sediment nitrogen conditions on your lake?

Mark only one oval.

- Yes
- No
- Maybe

7. Please list any organizations you will partner with

---

*Skip to question 8*

### AIS Training or Community Education

Educational grants are awarded to complex impactful projects. Focus on instructional not informative training or community-based social marketing efforts to address AIS Clean Drain Dry Dispose (CDDD) behavior change, and novel outreach projects are of interest.

8. Detail below the Scope of the Project \*

---

---

---

---

---

9. What is the desired result? How do you plan to measure your efficacy? \*

---

---

---

---

---

10. Provide a timeline of planned activities, goals, meetings and actions related to the execution of proposed project \*

---

---

---

---

---

11. What is the expected date of completion? \*

---

*Example: January 7, 2019*

*Skip to question 12*

### Evidence of Approach

Are you utilizing CBSM principles or continuing a training program by AIS Detector? What indicates this type of educational outreach or work will create impactful change or influence AIS management?

12. Please provide specific details on how your project will influence the prevention of AIS Spread : \*

---

---

---

---

---

13. Investment in community resources and services & Recruitment of volunteers for AIS Detection efforts are both interests of the AIS Program. If your project address either of these, how so?

---

### Budget

Please note educational projects have a limit of \$4,000.00

14. Will you possibly receive grant funding for the project proposed from any parties other than Meeker County? \*

*Mark only one oval.*

Yes

No

15. If the county has awarded a grant for this type of project in the past, approximately how much has the applicant received to date?

---

16. This Grant program has a 1:1 match requirement and grants are fulfilled as reimbursements. The match results in equal investment of both the proposer and county. The AIS Grants approved, will match up to half of your total project cost (not to exceed \$4,000.00). \*

Mark only one oval.

- I understand  
 I do not understand and will be reaching out for clarification

17. The proposers match, will be greater than or equal to the amount requested above ( which should be no more than half of the project cost). Up to 50% of the proposers match (25% of the project cost) may be documented as hours or services in kind. Any reported in kind amount must be related to the proposed project. \*

Check all that apply.

- I am requesting to use hours in kind  
 I am not requesting to use hours in kind

Please review section 2.6 of the RFP if you have questions regarding In-kind *before* contacting the coordinator. Note that if your lake has zebra mussels confirmed already, time spent checking zebra mussel plates will not be approved as in-kind.

18. Detail your budget for this project NOT including any other grant applications for other projects ( Treatment or Inspections) \*

Include the following: 1. Project total 2. Amount requested by Meeker County ( No more than half your total project costs) 3. Proposer Cash Match ( equal to or greater than the amount requested less in-kind if requested). 4. In kind hours or services requested (In kind rate increased to 25\$/HR)

---

---

---

---

---

#### Acknowledgement of Purpose and Terms

The 2024 RFP contains terms and conditions for grant application and details on grant fulfillment. Do not submit your application until you have reviewed the full document.

19. I understand these are only initial applications and that i will need to complete a final application in the spring, if considered for funding. \*

Check all that apply.

- Yes  
 No

20. This submission shall affirmatively state the review and acceptance of all general proposal requirements and grant agreement terms contained in the Meeker County Request for Proposals to Prevent and Manage Aquatic Invasive Species in 2024. This submission and marking, I understand, affirms that this application will become the property of Meeker County upon submission. By submitting, the proposer agrees that Meeker County may copy the proposal to facilitate evaluation or respond to requests for public data and warrants and is not violating any third-party rights, including copyrights. \*

*Check all that apply.*
