

CSAH 34 Bridge Replacement

Meeker County's contractor plans to begin the replacement of the CSAH 34 bridge over the North Fork of the Crow river on Monday, February 16th. The crossing is located approximately 3 miles north of Litchfield.

The crossing will close on February 16th as the initial stages of the project will include the removal of the existing bridge. The official detour will utilize Trunk Highway 22. Please review the detour map and plan an alternate route starting Monday.
